

Pierre Guidez

Skills

Web (<i>HTML5, CSS3</i>)	<div></div>
JavaScript (<i>ES6</i>)	<div></div>
C, C++	<div></div>
React	<div></div>
Scripting (<i>Bash, Git</i>)	<div></div>
MySQL	<div></div>
Python	<div></div>
Node.js	<div></div>
VBA	<div></div>
Scheme (<i>Racket</i>)	<div></div>
Java	<div></div>
French	<div></div>

I am a computer science student with a passion for programming and a recent but strong interest in web development. I am driven and excited to take on greater challenges.

Work Experience

Instructional Support Assistant **University of Waterloo**
C++, Bash, Scheme (May - Aug '17)

- Managed a 300-student course
- Held office hours, taught weekly tutorials
- Prepared marking schemes & coordinated TAs for marking

Student - Project Alpha **Export Development Canada**
VB.NET, VBA, Bash, Filemaker, Sharepoint (Sept - Dec '16)

- Built, tested, and deployed tools to team to automate repetitive tasks, optimize internal workflows, and limit data integration problems, resulting in ~45% time savings
- Closely collaborated with various teams to document current processes in order to optimize and standardize business practices and prepare for process re-design
- Supported the production of a comprehensive report detailing a new project architecture, standards, and documentation
- Produced project standard workflows and overviews of business processes for subsequent error-driven testing of data exports and data analysis

Production Intern **Rogers TV**
Studio & EFP cameras, vision mixer, audio mixer, EVS (Jan - June '13)

- Jointly produced pre-recorded and live television broadcasts
- Specialized in studio and remote truck sport instant replay

Flight Dispatcher **Rockcliffe Flying Club**
Radio, Cessna-150, Cessna 172 (Sept - Dec '12)

- Managed daily flight operations, authorized and released aircraft
- Provided weather advisories and flight following

Education

University of Waterloo ('14-'19)
Bachelor of Computer Science,
Software Engineering Option
(expected)

President's Scholarship ('14)

University of Ottawa (May '11)
Business & Finance (EMCP)

Interesting Courses

*Intro to Machine Learning, OS,
UI, Algorithms, Object-Oriented
Software Development, Data
Structures & Management*

Volunteer Work

Peer helper, Franco-Cité
('11-'14)

Database Manager, Kiwanis
('10-'12)

Production Assistant, Rogers TV
('10-'12)

Achievements

Recreational Pilot License ('13)
Royal Conservatory of Music,
Piano (VIII), Theory (III) ('08)

Other Interests

Aviation & flying
Political science & public policy
Swimming
Fiction
